
"We are Survivors, joined TOGETHER we are STRONG!"

Our Past Involvement

Since 2009, JHV and JFMC have been involved in walking and running the LA Marathon route, in both rain and shine. As survivors, our participation is crucial because not only does it help raise money for the organizations but it also shows determination in spreading awareness.

Each year we build teams of 3 persons for every 3 miles of the 27 miles. The race begins at Dodgers Stadium and ends near the Santa Monica Pier. Through your participation you will be representing JHV and JFMC organizations, but ***most importantly all our murdered loved ones***. We welcome families and friends to join us throughout the race, walking, running or even cheering alongside the route.
